Athletes representing forty high schools of the state strove for honors on Rollins Field yesterday in the University of Missouri's Fourteenth Annual Interscholastic Track and Field Meet.

One record was broken, when the relay team of the Polytechnic Institute of Kansas City reeled off a half-mile in the fast time of 1:34 4-5, breaking by 1 4-5 seconds the old record made by Sedalia in 1911. A five-man team from Webster Groves performed the remarkable feat of winning second division honors.

Kemper Military School with a team score of 55 1-6 points carried off the honors in Division I. The Kemper men had a well-balanced team, scoring in every event. The Polytechnic Institute was not far behind Kemper, the Kansas City boys placing in all but four of the events.

### Close Race in Second Division.

The second division was featured by the close race for first honors between Webster Groves and Central High School of Kansas City. The Webster Groves team finished five points ahead of its rival, mainly through the excellent work of Hart and Lincoln, who collected twenty-six points between them.

In the third division the race for premier honors was not decided until the last event. Mount Vernon maintained a slight lead over Harrisonville in this division, until Hamilton of Harrisonville took first place in the running broad jump and placed his team in the lead.

### Parker of Polytechnic Is Star.

Parker of Polytechnic Institute proved the star of the meet, the Kansas City boy landing first place in the broad jump, the half-mile run, and the 22-yard dash. In addition, Parker was a member of the record-breaking Polytechnic relay team. Lincoln and Hart of Webster Groves each scored thirteen points in the second division, and gave their school the honor of producing the individual stars in that division. The Webster Groves men were hard pressed, however, for Captain Williams of Kansas City Central scored thirteen points for his team. Hamilton, a brother of Captain Paul Hamilton of the Varsity football team, was the individual star in the third division. The Harrisonville boy rolled up a total of 15 1-3 points and was largely responsible for his team's victory.

University athletes, past and present, officiated.

## TELL YOUR RUBBISH GOOD-BY!

Clean-up Wagons Will Be Around for It Soon This Week.

The second week of Columbia's clean-up campaign was lost in the rain. But, according to Mayor J. E. Boggs, this was an asset insofar as it afforded enough time for even the laggards to get their trash ready for the wagons. The attempt will be made to have all hauling done in three days. The wagons will start in the First Ward Tuesday morning. Wednesday they will do the hauling for the Second Ward. The Third and Fourth wards will be visited Thursday.

According to Mrs. J. E. Wrench, the continued rain has left the unpaved streets and the approaches to the city dumps in an almost impassable condition. By Tuesday, however, it is thought they will have dried sufficiently to hold up the heavy trash wagons.

The mayor urges that rubbish be gathered in sacks, boxes or barrels and placed in the front yard where it may be collected easily.

## KNOX CITY WINS H. S. DEBATE

Miss Zella Bear Receives \$125 University Scholarship Prize.

Knox City, representing the northern half of the state, won the finals in the State High School Debating League last night in the University Auditorium, by defeating Aurora, the representatives of the southern half, 2 to 1. The winners upheld the affirmative of the question: "Resolved, that the Federal Government Should Own and Operate the Railroads of the United States."

Knox City debaters were Miss Zella Bear and Carter Bone. Ellis and Alfred Mundy debated the negative. Miss Zella Bear won the \$125 scholarship offered by the University for the best individual debater. The judges of the debate were Prof. F. M. Tisdell, Prof. W. J. Shepard and R. C. Journey.

## E. C. Loren, B. S. in Agr. '16, Weds.

Elbert C. Loren, B. S. in Agr. '16, and Miss Leta M. Yowell were married at 11 o'clock yesterday morning at the home of C. H. Geery, Maryland apartments. The Rev. Madison A. Hart performed the ceremony. Mr. Loren's home is at Hallsville, but he has been employed in the Golden Valley Dairy Company of Kansas City until recently. Miss Yowell is the daughter of R. L. Yowell, a merchant of Goss, Mo. She is a former student of the Kirksville Normal School. They will make their home at Hallsville.

## Miss Laura Mode Buried Yesterday.

The funeral services of Miss Laura Mode of Stephens, who died Friday of pernicious anemia at Parker Memorial Hospital, were held yesterday afternoon at Oak Chapel Methodist Church. The Rev. F. P. Haines conducted the services. Miss Mode, who was 50 years old, leaves only a mother, Mrs. Eliza Thornton.

## Mrs. Susie C. Martin Dead.

Mrs. Susie C. Martin, wife of J. M. Martin, died of heart and lung trouble Friday at Cripple Creek, Colo. She was 45 years old. The body will be brought to Columbia tonight, and the funeral services will be held at Millersburg Monday. She is survived by her husband, three brothers and three sisters.

## Pneumonia Causes Child's Death

Laura, the four-year-old daughter of Mr. and Mrs. P. M. Pace of Ashland, died at 5 o'clock yesterday morning. Her death was caused by pneumonia. She will be buried today at the Union Church, four miles east of Columbia.

## Canning Courses to Be Explained

All interested in the short course in canning to be given by Miss Louise Stanley of the home economics department will meet at 4 o'clock tomorrow afternoon in Room 202, Schweitzer Hall. The course will be explained.

## \$30,000,000 for Rivers and Harbors.

WASHINGTON, May 5.—The House rivers and harbors committee late today agreed on the bill carrying appropriations amounting to nearly \$30,000,000 for the improvement of rivers and harbors during the war. Most seacoast ports are provided for.

## 20 MILLION AN HOUR LIBERTY LOAN'S RATE

Golden Flood Pouring Into U. S. Treasury Indicates Big Oversubscription.

## ALLIES' DEBT GROWS

Two Per Cent of Banks and Trust Companies Ask for Two-Thirds of Issue.

By United Press

WASHINGTON, May 5.—The golden flood pouring into the Treasury Department to float the Liberty Loan continued unabated today. Its sources were tapping the treasuries of every section of the nation, and it maintained the established average of nearly \$20,000,000 an hour, more than \$300,000 a minute. Maintenance of the average established since the issue was offered to the public will over subscribe several times the original \$2,000,000,000 asked.

Two per cent of the 27,513 state and national banks and trust companies in the country have applied for \$138,675,000. At this rate the total subscriptions to the first issue will reach between six and seven billions.

## War Loans Now Total \$425,000,000.

By United Press

WASHINGTON, May 5.—The Government announced further loans today of \$125,000,000 to Great Britain and France. A \$25,000,000 loan was closed today with British representatives and a \$100,000,000 loan to France will be consummated within a few days. The total war loan to date is \$425,000,000, \$200,000,000 having been loaned to Great Britain some time ago and \$100,000,000 to Italy.

## Army Questions to Be Settled Soon.

By United Press

WASHINGTON, May 5.—The House and Senate developed signs today that they might, within a day or two, clean up the question of raising America's army. Sessions of the conference committee started today. The Roosevelt division, issue of age limit, question of exemption problem were big difficulties to be smoothed out.

America's "half-million" army, consisting of 528,659 men and 18,538 officers will be divided into sixteen infantry divisions of 27,245 men each and 913 officers; two cavalry divisions of 607 officers and 16,021 men each; coast artillery corps with a total of 666 officers and 20,000 men; sixteen brigades of heavy field artillery of 48 officers and 1,319 men each.

## Edison May Defeat Submarines.

By United Press

NEW YORK, May 5.—Strong belief that the submarine problem will be solved by one or more American inventions already tested by the Naval Consulting Board was expressed late this afternoon in a statement by W. L. Saunders, chairman of the board.

Saunders said he did not know of any invention by Thomas A. Edison, president of the board, which would end the submarine peril, but he clearly intimated that Edison is engaged in experiments that promise to be successful.

## House and Wilson Cheer Balfour.

By United Press

WASHINGTON, May 5.—With the President and Mrs. Wilson in the galleries and joining in the applause, the House of Representatives this afternoon staged one of its most spectacular, wildest patriotic demonstrations in history in greeting British Foreign Minister Balfour.

As the demonstration progressed, President Wilson left his seat in the gallery to go to the House floor. He shook hands with the British minister, amid renewed cheering. The British foreign minister then addressed the House, bitterly denouncing Prussian autocracy. He paid a tribute to America's entrance into the war, which, he said, must be completed successfully, if democracy is to win.

## Vital Week of Preparations Ahead.

By United Press

WASHINGTON, May 5.—The most vital week of war preparations will begin in Congress Monday. The joint House and Senate committee will report on the selective conscription bill. The Senate Agricultural Committee will take up the Lever food control bill. The House ways and means committee will report on revenue and the way in which it expects to raise \$1,600,000,000 by taxation. The shipping, bill empowering the construction of vessels, will be introduced.

## DRAFT PROGRAM NOW IN HANDS OF PEOPLE

Persons Within Age Limit to Sign up at Their Polling Places.

## WILSON TO SET DAY

Absentees May Respond by Mail—Volunteer Registrars Sought.

By United Press

WASHINGTON, May 5.—There was a time in the country's history when military enumerators backed by bayonets went out among the people to take a compulsory service census. Today under the principle of universal liability to service the execution of the law is put into the hands of the people.

The approval of the new national army bill and the President's proclamation thereunder will be coincident. All persons within the age limits prescribed will be required to present themselves for registration at the customary voting places in the voting precincts in which they have their permanent homes, on a day which the President will announce. The probability is that from 10 to 15 days will elapse between approval of the bill and registration day.

## Governors Will Conduct Work.

The Governor of each State will be the chief of registration therein. The machinery of registration in each county is to be in charge of the Sheriff, the County Clerk and county physician acting ex-officio, unless a different board shall be announced by the Governor. In cities containing populations of more than 30,000 the registration will be under control of the Mayor and selected boards of registration. In order that the designated county and city officials and the people generally can get a clear understanding of the census methods, the following brief outline is given:

The sheriffs or other designated officials immediately upon receiving notice from the Governor shall appoint registrars for each voting precincts. One Registrar For Every 170 Persons.

The proportion of registrars shall be one for every 170 persons to be registered. Each age to be registered will comprise about 1 per cent of the population. If, for instance, all men between 19 and 25 years of age, inclusive, are to be registered, the registrar would have to enroll about 7 per cent of the precinct population.

It is desirable to accept the services of competent volunteer registrars to serve without compensation. All registrars must be sworn.

The voting place in each precinct must be prepared for registration. Full printed instructions covering every detail of registration will be in the hands of sheriffs and mayors on the fifth day after the President's proclamation.

## Mayors to Appoint City Boards.

The mayor of a city containing more than 30,000 inhabitants, or the officials designated by the Governor therein shall with approval of the Governor, appoint for each ward or convenient minor subdivision containing about 30,000 persons, one registration board and shall designate one officer of each board to perform duties similar to those imposed upon the Sheriff, as heretofore outlined. If the Mayor desires, he may appoint a central board to co-ordinate the work of minor boards.

On the fifth day after the President has issued his proclamation, clerks of counties and cities of over 30,000 must secure a supply of blanks and copies of the registration regulations from the Sheriff or from the Mayor. Absentees and the sick will apply to such clerks to have their registration blanks filled out. In no case shall persons be given registration certificates. They are to be instructed by the clerk that the burden is on them to see to it that the cards reach the registrars of their home precincts by registration day.

Persons absent from their home counties may be registered by mail. If so absent a man should go to the clerk of the county where he may be staying on the sixth day after the President's proclamation. If he is in a city of over 30,000 population the City Clerk is the official to whom to apply. The absentee will be told how to register, but he must mail his card in time to reach his precinct by registration day.

Persons too ill to present them-

selves for registration must send a competent person to the county or city clerk on the sixth day after the issuing of the proclamation. The clerk will give instructions for registration.

## Institution Officials Will Help.

Officials of educational, charitable and other institutions should apply for instructions to the county or city clerk on the sixth day after the date of the proclamation as to a convenient method of registration.

The wardens of jails, penitentiaries and reformatories should apply to the

## ABOUT BANQUET TICKETS

Acceptances of the invitations to the Made-in-Japan Banquet, by persons who attended the 1916 Journalism Week banquet, if received tomorrow (Monday) with checks dated May 5, will set aside for such persons banquet tickets. After tomorrow the tickets unsold—if any—will be allotted to other persons making application for them. The number of tickets for sale at \$3 each in Columbia is limited. Acceptances and applications must be accompanied by checks for the amount of the tickets, the check to be returned if tickets are not available. Not more than two tickets will be sold to any one person. Those giving requests for tickets must give names of the persons for whom tickets are desired. Acceptances of invitations and applications for tickets should be made in writing to H. E. Rasmussen, secretary Journalism Banquet Committee, Room 102, Switzer Hall.

county or city clerk for instructions on the sixth day.

Five days after the date of the President's proclamation complete regulations will be in the hands of all Sheriffs and of the officials of cities of over 30,000 population.

The President is authorized to call upon all public officers to assist in the execution of the law. It is expected that patriotic citizens will offer their services free as registrars. Such services will be gratefully acknowledged. Volunteers for this service should communicate immediately with the proper official.

## COAL PRICES UNWARRANTED

Trade Commission Warns Speculators Against Buying Panic.

By United Press

WASHINGTON, May 5.—Retail prices of coal are unwarranted, the Federal Trade Commission ruled today in a report to Congress wherein it advised the public not to indulge in a buying panic.

The commission also announced that it intended to expose any dealers or speculators who tried to stampede the public into abnormal buying or who tried unjustly to elevate prices. There is coal enough, said the report, for everyone. There is no justification to pass on to the consumer any greater increases when wage increases are granted to the miners. Further, it said, the usual summer discount ought to apply.

## NEW HOTEL TO OPEN JULY 1

Plastering Is Expected to Be Finished Within Two Weeks.

The Daniel Boone Tavern will be ready for business July 1, according to A. M. Rhoads, in charge of construction. Mr. Rhoads said: "So far everything is fine; material is coming on time; the plastering will be finished within two weeks; marble and tile work will begin next week." F. W. Leonard, manager, expects to open for business July 1.

## Browns Open League Season Today.

The Central Missouri League season will be opened this afternoon when the Columbia Browns will meet Centralia at the Fairgrounds Park. The game will be called at 3:15. Either Manager Taylor or Urie will do the twirling for Columbia, with Hubbard behind the bat. The battery for Mexico will be Lancaster and Croudy.

## Student Operated on For Appendicitis.

Miss Evelyn Ann Joslyn, a student in the College of Arts and Science, was operated on at the Parker Memorial Hospital yesterday morning for appendicitis. Miss Joslyn's home is at Charleston.

## TEUTON WEST FRONT RESERVE ONLY 90,000

Prisoners Say Hindenburg Has Only 6 Divisions to Check Big Drives.

## ALLIES HOLD LINES

Provisional Government Again Controls Russia—Order Restored.

By United Press

WITH THE FRENCH ARMIES AFIELD, May 5.—Six divisions, comprising a body of 90,000 men, are all the reserves that the Germans have left with which to strengthen the Hindenburg line, prisoners taken by the French stated today. Their uniforms showed that the reserves are being drawn from all fronts.

The Germans are using gas and intense artillery fire to stop the advance of Nivelle's army, but the French attack is progressing and working perfectly.

## Germany Rushing Up Reserves.

By United Press

PARIS, May 5.—Germany is pouring fresh divisions into desperate fighting all along the Soissons front in a determined attempt to stop the French advance and retake positions in General Nivelle's recent drive, today's official statement showed.

## Desperate Attacks on Haig Fail.

By United Press

LONDON, May 5.—Field Marshal Haig's reports today indicate a continuance of the deadlock in the Arras sector and in the south. The deadlock was not without fighting. Three further counter-attacks by Germans were made during the night and this morning. All were directed against the newly won British positions on the Hindenburg line. The first was broken down with concentrated artillery fire. The other two passed the barrage but were driven back from British trenches after a period of sharp fighting.

## German Committee Wants Kaiser.

By United Press

AMSTERDAM, May 5.—The German constitutional committee voted today, in effect, to continue the German monarchical system and shut off democracy completely, according to interpretations put on Berlin dispatches here.

## Duma's Government Again Controls.

By United Press

PETROGRAD, May 5.—After two days of cheering, muttering jostling mobs surging back and forth in demonstration that at times approached seriously near to organized riot, the Duma provisional government had today apparently succeeded in re-establishing itself. At the headquarters of the soldiers and workmen committees today it was informally stated that an amicable adjustment had been reached with the Duma leaders and that the executive committee by a 2 to 1 vote had approved the government pledge.

Pro-German peace agitators were attacked in the streets of Petrograd by crowds of soldiers and citizens.

## FACTORY HELPS MILITARY FUND

Hamilton-Brown Men Donate \$40—Two Enlistments Reported.

The Hamilton-Brown Shoe Company and employees contributed \$40 to Company F's fund Friday. The company gave \$5, and the employees \$35. This is to be added to the \$500 fund which the local company expects to raise before it is called out. J. F. Woods and J. B. Dennis have enlisted with Company F, making a total of ninety-nine members. Captain E. E. Major hopes to have a total of 150 men before leaving Columbia.

## Centralia Woman Dies Here.

Mrs. E. P. Pool of Centralia died at the Parker Memorial Hospital about 9:30 o'clock yesterday morning. The body was sent to Centralia yesterday afternoon, and the funeral will be held this afternoon. E. P. Pool is a cousin of J. Kelly Pool, who is well known to Columbia.

## Two Students Undergo Operations.

Andrew S. Mills and E. R. Musick, both students in the University, were admitted to Parker Memorial Hospital yesterday for operations. Mr. Musick's eye was operated on, and Mr. Mills had a toe straightened to make him eligible to attend the officers training camp at Fort Riley.
